Transfers	- Two transfers within Japan are permitted for each outbound or inbound journey. - One transfer is permitted in Hongkong or Singapore for each outbound or inbound journey. - One transfer is permitted in Johannesburg for each outbound or inbound journey.
Refunds	"Eco-wari standard" to South Africa is refundable but subject to a handling fee. - Prior to departure: Handling fee: ¥17,500 for adults (¥13,200 for children) - After departure: The applicable standard fare for the route traveled is calculated and deducted from the paid amount. 15% of the balance, if any, will be deducted as a handling fee. However, in most cases there is no balance to be refunded after departure.
Upgrade Award	Not permitted

* Upgrade Award: ANA International Upgrade Awards, Upgrade Points and Star Alliance Mileage Upgrade Award.
(Code share flights carrying ANA flight numbers, operated by other airline, cannot be used)

Please note the following:

- * Airlines that you can use may be limited depending on your destination.
- * "Eco-wari" fares may not be applied for certain destinations due to operating airline's schedule or routings.
- * The fares shown on this page are roundtrip fares for travel without any stopovers from each point of departure to destination. A handling fee will be separately charged when a stopover is made at a gateway city on outbound or inbound flights.
- * Airport fees, local airport taxes, and other fees are not included in the above fares and will be applied.
- * US\$3.20 or equivalent amount of the currency paid for sales outside Japan per passenger per one-way trip will be added to all tickets.
- * Fuel surcharge will be added to applicable fares.
- * The fares are ex-Japan fares in Japanese yen, and you will be charged the equivalent amount in local currencies.
- * Applicable services, campaign and connecting fare may differ depending on the area you purchase the tickets.
Please ask for details.
- * Ticketing Service Charge may apply. Please check in advance.
