Conditions

Applicable Period

December 16, 2023 to December 15, 2024

Conditions

Earn ANA SKY COINS during the applicable period by performing the procedures for applying for or renewing an insurance policy.

How to Check

Log in to the ANA website and check on the View ANA SKY COIN Balance page that the date of use in the Activity Summary is within the applicable period. The date on which ANA SKY COINS have been accrued will be considered as the date of use.

* ANA SKY COINS are accrued based on the effective date of the insurance policy applied for, and depending on the type of insurance purchased, they will be accrued during the beginning of the month a maximum of 5 months after the application was made.

* The accrual date is also shown with the date of use on the ANA SKY COIN Account Balance Reference, so if it is going to take time for your ANA SKY COINS to be credited to your account, please apply as soon as possible. However, ANA SKY COINS may not be accrued depending on the results of the application screening process (e.g., if the application is found to contain mistakes).

For details on the accrual schedule for ANA SKY COINS, please refer to "Changes to the accrual schedule for new ANA Insurance 'Wings to Tomorrow' ANA SKY COIN applications as of August 1, 2023".

Notes

* ANA SKY COINS for accident insurance policy renewal will be accrued at the beginning of July each year (for products that are renewed on May 1 each year).

* Annual insurance premiums of JPY 2,500 or more per application (regardless of whether it is for a new policy or to renew an existing policy) are eligible for ANA SKY COIN accrual. For other points to note on accrual, please see the ANA Insurance website *1.

* SORAHO is not included in ANA Insurance. It is included under the service category Other Mileage Partners.
