

## ANA Files Revisions of Normal International Fares for Europe, Middle East and Africa

**TOKYO February 3, 2010** ANA Group filed a revision of its normal international fares with the Japanese government today, for travel between Japan and Europe, the Middle East and Africa. Subject to approval by the Japanese and appropriate foreign governments, the new fares will come into effect for travel departing Japan on or after April 1, 2010.

Please refer to the chart below for details. Fares are given on a return round basis:

| Route           | Fare type             | Present fare | New fare  | % comparison |
|-----------------|-----------------------|--------------|-----------|--------------|
| Tokyo-London    | Normal First Class    | 2,204,100    | 2,507,900 | 114%         |
