Inspiration of JAPAN

A STAR ALLIANCE MEMBER

Expanded in-flight entertainment.

Making your air travel more enjoyable and more cutting-edge.

Answering customers' values and needs as they change with time and the environment,
we are proposing a new way of spending time on board with the concepts of
"Reading in the Sky," "Learning in the Sky," and "Appreciation in the Sky".

Reading in the Sky

Our e-library service, where customers can use the ANA app on their own devices to read the in-flight magazine, magazines, and newspapers has become more enriched, as it now includes features such as the travel guidebook "Rurubu".

Note: The newspaper service is limited to some customers.

Please check our official website for more details.

<https://www.ana.co.jp/en/jp/serviceinfo/share/digital-media/>

Note: You must be connected to the Internet.

Learning in the Sky

We have started a tie-up project with "HOBONICHI SCHOOL" which provides a place for learning online using apps and other methods. You can watch nine member-only episodes released monthly. This is Japan's first "inflight school", where you can learn from people you wouldn't normally meet by listening to their various experiences and moving stories. Please avail yourself to this unique opportunity.

Please check HOBONICHI SCHOOL official website for more details!

HOBONICHI SCHOOL x ANA

SC1101 and ANA Please use the discount coupon code below.

Please sign up to become a member of this website and type the coupon code when entering your payment information.

<https://school.1101.com/>

Note: The first 3 months are free for first-time subscribers.

Note: You must be connected to the Internet.

Note: This site is only available in Japanese.

Appreciation in the Sky

For our international flights, we have a rich variety of entertainment in our lineup, including the latest Hollywood blockbusters, popular variety shows, and documentaries.

More information on our lineup of available entertainment can be found starting on page 06.

Note: On some airplanes, the previous month's program may be screened until the beginning of the following month.

Note: You can enjoy all contents through the official ANA app. Movies and "HOBONICHI SCHOOL" video clips are not available when connecting from a browser.

Rakugo "Yodanme" / Sumidagawa Baseki

(Recorded at Studio Four, Tokyo on May 4, 2019.)

A young boy in service at a shop, who loves the theater, left on an errand in the morning, but still hasn't returned by nightfall. The shopkeeper believes he is probably slacking off at the theater and heads there to give him a good scolding... *"Yodanme" is the 4th act of the kabuki play "The Treasury of Loyal Retainers", when Enya Hangan (likened to Asano Takuminokami) commits hara-kiri.

Sumidagawa Baseki

Born: Hyogo Prefecture, 1969. In 1993, he started under Gokaïdo Kumosuke VI and took the name of Gokaïdo Watashi. He was promoted to the top rank in 2007 and assumed the name of Sumidagawa Baseki IV. He won the ACA National Arts Festival's New Artist Award in the popular entertainment category in 2012 and the Grand Prize in 2021.
