

## Travel Documents Required for Passengers Entering Vietnam

**Please review the requirements below for a smooth travel experience.**

① **Who can enter?**

All travelers can enter, provided that all entry requirements are met. In addition, please check with the embassy or consulate for requirements such as visas based on nationality and travel purpose.

② **What are the entry requirements?**

All passengers traveling to Vietnam, regardless of nationality, are **required to present a certificate of a negative COVID-19 test result prior to departure**. We will deny boarding if we cannot confirm a valid test certificate upon check-in.

Timeline	Check (when completed)	Required Documents	Helpful Tips/Links
Within 72 hours before departure	<input type="checkbox"/>	Prepare a negative COVID-19 test certificate to present upon check-in at departure. *Exemption: passengers under 2 years old	Format: paper (printed) Language: English or Vietnamese Testing Method: RT-PCR/RT-LAMP or RAT *Rapid antigen test (RAT) is now permitted if taken within 24 hours (no self test)

③ **Do I need to be fully vaccinated?**

Travelers are no longer required to present a COVID-19 vaccine certificate. Please visit the U.S. Embassy & Consulate in Vietnam for the latest information:
